DOCKET FILE COPY ORIGINAL

Klickitat Broadcasting (*Klickitat*), by its communications counsel, hereby files its Comments in the subject rule-making proceeding looking toward the allotment of a Class A FM Channel to the community of Ione, Oregon.

1. By its Petition for Rule Making, Klickitat sought the allotment of Channel 226A to Ione, Oregon as a first local service. In response, the Commission issued the Notice of Proposed Rule Making, 70 Fed. Reg. 8054, DA 05-77 (2005) proposing to allot Channel 295A to Ione.

2. Klickitat has decided not to apply for a construction permit for Channel 295A at Ione, if allotted. Therefore, Klickitat has no intention of objecting if the Commission does not make an additional allotment to the community. Of course, if some other party files Comments stating its own intent to apply, construct, to place the constructed facilities into broadcast service, and

to seek a license to cover those facilities, Klickitat does not intend to object to the allotment of Channel 295A to Ione.

Respectfully submitted,

Klickitat Broadcasting
